

have you logged into the **AHIMA CoP** lately?

Did you know that as a member of AHIMA, you have a FREE access to AHIMA's CoP that allows you to:

Network with hundreds and thousands of professional in your field. (Networking not only helps open up your mind but also opens up doors of opportunities. Who knows where it can lead to..)

Ask a question from your peers and fellows - be it coding, ROI, management, EHR, transcription or ask just a general educational question or self development advice

Be aware of the news, links to helpful resources, and have constructive discussions

Provide feedback/solutions/ideas to your peers both on state and national level.

If you have not yet utilized the SC CoP, I encourage you to do so as we will be bringing lots of information combined with lots of fun to the CoP in this new year of 2012 including but not limited to:

We will be introducing and interviewing one SC HIM professional every month and post their answers on the CoP. Other members will also get a chance to ask questions and make comments on the CoP

We will have educational games and quizzes related to HIM on the CoP to be able to learn and enjoy at the same time

We will recognize and give out prizes to the SC members who are most active on SC CoP and share most resources, information, questions, solutions and discussions

Please know that prior to participating in SC CoP, you need to join South Carolina Community on AHIMA CoP

If you need any assistance in joining, navigating or posting on the SC CoP or have any questions/suggestions, please contact SC CoP Facilitators at:
